

Founder and President of the Kitty Kat Club. I am a southern girl raised in the DC/MD area. I am a proud mother of 2 and excited to announce that I am a grandmother. I love traveling, shopping and partying with family and friends. I am outgoing and love to read, but I also enjoy quiet time as well. I am always willing to try new experiences as well as seek new adventures. Since I am the oldest in the group, I tend to be motherly—whether they like it or not. Always remember “Never allow someone to become your priority, while you remain their option.”
